

Allow us to assist you with your travel needs.

Biman Bangladesh Airlines staff are trained to provide quick and efficient check-in. If your travel takes you through Dhaka for a connecting flight, you will be met by representatives to assist you with flight connections upon arrival. If passengers require any special assistance to their departure gates, we will be happy to escort you to the gate.

Passengers departing Dhaka should arrive at the airport three hours before departure

Please contact your departure airport or a local Biman office during reconfirmation to check if check-in times materially differ from our suggested three hours.

CHECK-IN

Plan ahead for your flight, and check in advance the Terminal for your Biman Flight.

Tips to help speed your way through Airport formalities:

* Report to the Biman Bangladesh Airlines check-in counter on-time

- * Keep your ticket, passport and visa documents handy
- * Proceed to the security check point; ensure you are not bringing any prohibited items with you
- * Keep your passport and boarding pass readily available when entering passenger boarding lounge

Check-in counter closes one hour prior to departure

It is important that you arrive at check-in for your flight On-time. Check-in closes one hour before departure. The boarding gate normally closes 20 minutes prior to departure. This could vary depending on your departure airport.
TRAVEL TIP - Always keep your documents handy

Double check that you have your passport, tickets, and all other necessary documents with you before you leave home to embark on your journey.
